Huskies Home Opener Saturday Ohio Man Shoots Deer

With Muzzle Loader

The Central Ontario Junior 'D' hockey schedule opened on Tuesday night when Stouffville upset Lakefield. The first home game for the Haliburton Huskies will be this Saturday night, November 18 at the Haliburton Arena when they take on the high-stepping Bobcaygeon Ti-Cats, with game time at 8:00 p.m.

When the Huskies take to the ice in this home opener they will be showing some new faces, as some of last year's team will be gone due to over age. Gone will be Doug Higgins, over age. Ron Stackhouse, who is playing with the Peterborough T.P.T.

Petes, Ed Hunter who is out for the season due to illness, and Gary Gartshore, over age.

The management told the Echo this week that they are quite hopeful that some of the younger players up from the Midget ranks will fill the gaps.

The Huskies have been working out at the local Arena for the past several weeks and they have played several exhibition games, so they should be in top notch condition for this home opener.

The team will once again be coached by Scottie LaRue who did such a splendid job last year.

The following will be the Haliburton Huskies starting line-up: Goal - Larry Hartin, David Dollo; Defence - Mike Easton, Danny Roberts, Roger Scheffee, John Robinson; Forwards - Craig Morrison, Malcolm Maxwell, Larry Sawyer, Lyle Sawyer, George Simmons, Neil Hewitt, Jim Allan, Paul Wilson, Karl Consack, Gary Bailey, Danny Carpentier, Brian Black.

A large crowd is expected at the Arena this Saturday night for the first Haliburton Huskies home game against Bobcaygeon. So why not come on out and bring the entire family for this very important hockey game.

Mr. Parker Miller of Lorain, Ohio, U.S.A. brought something different into the hunting season this year when he shot two deer with a 58 calibre muzzle loader. Mr. Miller shot the deer while hunting during the first week with the Wayne Roberts hunting party near Harburn Township in Haliburton County. Both of the deer that he shot were running, with one being shot at 175 yards and the other at 150 yards.

Mr. Miller whose hobby is collecting guns, stated that one load in his muzzle loader consisted of 60 grains of 3F black powder, 58 calibre minnie ball. The gun is accurate at 50 to 600 yards depending on the load.

His collection of guns consists of 55 of the older variety from the French and Indian war of 1812, the Civil War of 1863, and the Spanish - American war of 1898. This man shoots in competition shooting where the original wars were fought.

Mr. Miller is a Ranger Superintendent at Lorain County Metropolitan Parks. He also hunts deer with a bow and arrow. His previous six deer were all taken with a bow and arrow. He has also shot pheasants and rabbits with a bow and arrow.

Wayne Roberts of Haliburton claims that Mr. Miller is one of the finest sportsmen that he has ever met.

Remembrance Service At Gooderham

A small group of Glamorgan Township residents gathered at the Cenotaph in the village of Gooderham at 10:45 on the morning of Saturday, November 11 to pay tribute to the memory of those who served in the two World Wars, and particularly to those from this Township who paid the supreme sacrifice.

The service was most capably conducted by Pastor Glen Pitts as he reminded those present what Remembrance Day stands for in our society and of the benefits we enjoy today because of those who served. He incorporated in his talk a poem entitled "For Those Who Died" which was published recently in the Echo.

Mrs. Pitts read a poem equally appropriate to the occasion.

The Memorial Wreath was placed by Mrs. Janet Hunter, a life-long resident of the Township, who can no doubt recall memories of those names that are engraved on the Memorial Stone.

After the two minutes silence Pastor Pitts closed the service with a prayer.

Dysart Receive \$10,000 Grant

The Honourable J. R. Simonett, Minister of Energy and Resources Management, and Mr. R. Glen Hodgson, M.P.P. for Victoria, announce the approval of a Provincial grant of \$10,000.00 to the Municipality of Dysart et al for land acquisition and development of an Approved Park.

The municipality proposes to acquire 122 acres of land on the west shore of Head Lake in the Township of Dysart. The acquisition of these lands will provide public access to several lakes in the area, an excellent bathing area and boat launching site.

This grant is made available under The Parks Assistance Act and the municipality will contribute an amount equal to the grant.

Referees School On Television

The Highlands of Haliburton came in for some more good free publicity recently when the Vern Buffey Referees School, which was held at the Haliburton Arena in September, was seen on "Hockey Night in Canada" between the second and third periods of the Toronto Maple Leafs - New York Rangers game played in Maple Leaf Gardens.

The telecast which was seen from coast to coast showed the referee's school in action at the

Haliburton Arena and also some scenes were taken from the Haliburton Hockey Haven on Kosh-long Lake.

As we have said before, it would cost us thousands of dollars if we had to pay for publicity such as this. It is telecasts such as this going right across Canada that shows the people that Haliburton County really does exist. This kind of publicity is bound to bring new customers into the area.

Local OPP Report

Minden Detachment of the Ontario Provincial Police, during the two week period of October 29 to November 11, investigated ten accidents in which four persons were injured and \$3,430.00 in damages sustained to the vehicles involved.

Patrols of provincial and county roads during this period resulted in 9,320 miles being driven by the officers of Minden Detachment. Twenty-five Highway Traffic Act and eleven Liquor Control Act charges were laid during these patrols.

Criminal investigations totalled twenty-eight for the two week period, and are broken down as follows: Thefts 9, Trespassing 8, Damage to Property 6, Disturbances 4, and Break and Enter 1. This is very good considering that Halloween and the first week of hunting season were in

this period. To date we have not had a hunting accident and have had only one hunter lost; let's keep our fingers crossed so that this good luck will continue.

Since the commencement of the Driver Education Courses and the article in the paper of two weeks ago, I have been confronted several times with the question of who was involved in more accidents, the local drivers or the drivers visiting in the area. Well, after doing some checking we find that to date there has been 283 accidents in the county with 423 drivers involved. We find that 261 or 62% of the drivers were non-residents and 162 or 38% were residents. Taking into consideration the amount of non-resident traffic during the summer months, it would appear that the resident drivers are just as accident prone as the non-resident drivers.

Shopping Party November 23

The F. E. A. Griffiths Corp. in Minden are holding a Shopping Party at their store on Thursday, November 23 from 7:30 p.m. to 9:30 p.m. To help celebrate the occasion the management is giving away a free Christmas corsage to the first 50 ladies.

Another highlight will be door prizes of merchandise certificates of \$15.00, \$10.00 and \$5.00. Refreshments will also be served.

The management and staff of the F. E. A. Griffith Corp. Store in Minden invite everyone to come in and see their Christmas selections for the whole family.

Missing Hunter Found After Night In Bush Near Apsley

APSLEY (ENS) — Isaac Gardhill's deer hunt extended for longer than anticipated last Saturday. For most of it he was hunting for a way out of the bush.

Mr. Gardhill, 50, of Toronto, set off Saturday afternoon with his two sons, hunting in the bush at Paudash Lake near here. His

sons returned on Saturday night to report him missing.

Mr. Gardhill was found a mile from the highway on Sunday morning by a search party led by Ontario Provincial Police Constable Ed Prior. He was tired from his overnight stay in the bush, but was otherwise unaffected.

Deer Hit By Car

While driving from Toronto to Haliburton last Friday night Mr. Jack Rule ran into a big buck in front of Hugh Alton's home, halfway between Minden and Haliburton.

He was driving along at about 10 p.m. when he noticed the deer on the highway. He swerved the car to miss it but it hit the left front fender while crossing the road. The deer staggered into the bush, jumped a fence and was gone.

Mr. Lyle Pearsell was a passenger in the car at the time. There was only minor damage to the fender of the car.

Man Injured In Car Crash

An Oshawa man sustained minor injuries last Saturday evening when his car struck a culvert near Minden and was totally wrecked.

Police said Gordon Howard Henry, 25, sustained lacerations to his face after his car struck a culvert on Highway 121.

Minden O.P.P. Constable Barry Connolly investigated.

\$350 Damage

Damage estimated at \$350 resulted when a car went out of control on Highway 121 about five miles east of Haliburton last Saturday afternoon and crashed.

Police said the driver of the vehicle was John Park, 62, of Dorset.

Heart Foundation Executive

A meeting of the Haliburton Highlands Chapter of the Ontario Heart Foundation was held at the home of Mrs. J. Douglas Hodgson on October 26, 1967.

The following executive were appointed: Chairman - Mrs. J. D. Hodgson, Haliburton; Vice Chairman - Mr. Robertson Herlihey, Minden; Secretary - Mrs. Harry Finlay, Tory Hill; Treasurer - Mr. Gerald Barry, Haliburton; Public Relations - Mrs. Gordon McKay, Minden; Directors - Dr. R. J. Koval, Minden, Mr. Jack Wallace, Wilberforce, Mrs. Lance Easton, Haliburton.

Area Representatives are as follows: Mrs. Sid Sisson, West Guilford; Mrs. Arthur Mather,

Wilberforce; Mrs. Harry Finlay, Tory Hill; Mrs. Sinclair Russell, Carnarvon; Mr. Robertson Herlihey, Minden.

In Memorial Cards may be obtained from Mr. Gerald Barry, Mrs. Douglas Hodgson and Mr. Frank Welch.

HALIBURTON NEWS LETTER

As we write, Haliburton is getting a real taste of winter as already four inches of snow has fallen and it is still snowing and blowing. We heard over the radio some time ago that an old Indian down near Cornwall who stated that we were in for a very long and severe winter. After all the rain that we have had this summer and fall, one would naturally suppose that we might expect a very moderate amount of snow, but when you consider that this is only November 14 and see the snowplows travelling up and down the roads we are beginning to wonder if this old gentleman knows what he is talking about. However, time alone will tell. Our snow came to stay on December 1 last year.

Reports from the hunting camps fail to give any indication as to whether hunting is as good as one year ago. During the week-end we noticed quite a few deer and the odd bear atop of cars travelling through the village. Apparently in some areas the

hunt so far has been quite successful, while in other spots deer are far from plentiful.

The Molou Theatre was filled to capacity on Monday evening for the showing of the very fine motion picture "A Man Called Peter". The event was sponsored by the Anglican Church Women (Evening Branch) of St. George's Anglican Church. Citizens from all parts of the county came to see this excellent film and as a result the building fund for the new addition to St. George's Church received a well deserved boost.

One of our most successful hunters in years past has been Mr. Fred Neimann, and despite the fact that he is in his 83rd year he still enjoys a day's hunting when possible. Owing to the kindness of his son-in-law he was able to enjoy a couple of days in the bush near Kearney, and during that time he was able to secure his deer. Usually Fred

WEDDINGS

BRIGHT — VENTRESS

Robert Franklin Bright of Oshawa took as his bride Shirley Christine Ventress of Whitby, in a ceremony in Saint Mark's United Church, Whitby last Saturday afternoon.

The bride is the daughter of Mr. and Mrs. C. W. Ventress of Whitby, and the bridegroom is the son of Mr. and Mrs. Bruce Arthur Bright of Oshawa.

The Reverend John Smith officiated at the ceremony and R. G. Harle played the wedding music.

Given in marriage by her father, the bride wore a full-length gown of organza over taffeta. The empire bodice featured tea cup sleeves of lace. Matching French lace adorned the front of the gown and a cathedral-length train held by a Tom Jones bow flowed from the shoulders. Her headress, a silk organza and satin rose with forget-me-not stamens and leaves, held a four-tiered silk illusion veil. She carried a bouquet of red roses and white carnations.

Miss Carol Collinson of Whitby was the maid of honour. The bride's sister, Kathy Ventress, Sandra Ventress and Helen Wallace were the bridesmaids.

Robert Luston of Oshawa acted as best man and the bridegroom's brother, Neil Bright, Allan Parrott and Peter Ventress ushered.

A reception was held at the Thunderbird Golf and Country Club, Ashburn.

As the couple left for their honeymoon the bride was wearing a white dress trimmed in fur, with white accessories and a white chrysanthemum and red rose corsage.

Mr. and Mrs. Robert Bright will reside on Marland Avenue, Oshawa.

Letter To Editor

32 Empire Ave.,
Toronto 8, Ontario.
November 13, 1937.

Dear Sir:

I would like to express my thanks to two young men in Haliburton, but I don't know their names.

We were in Haliburton on Saturday, November 4 looking at some property with Mr. Marshall Leighton. Mr. Leighton left us and waited at the highway. When my husband tried to drive out the tires just kept slipping on the wet leaves. Lucky for us Mr. Leighton came back and helped to shove us up the hill. As we got to the top a truck came, owned by Lorne Bailey of Haliburton. The young men had heard our tires spinning and came to help us out.

In Toronto you could be stuck for hours and never get any help. I think you should be proud of your young men if they will come all that way to help someone in trouble.

So many thanks to Marshall Leighton and the two young men. Mrs. Harry Fountain.

School Of Fine Arts Progress Report

Now that the first venture of the Haliburton School of Fine Arts has been concluded, we would like to report to you on the results achieved and the present situation of the School.

In early September Mrs. Elizabeth Hobden, Vice-Chairman and Secretary of the Management Committee, moved to Eganville. Fortunately we did not lose this dedicated and hard worker altogether. Mrs. Hobden will remain Vice-Chairman of the Management Committee and hopes to be able to participate in the meetings at least once a month.

We found Miss Catherine Stewart willing to take over the function of Secretary, but unfortunately she was, for reason of health, forced to resign shortly before the beginning of the Fall Courses. We are very grateful for the contribution Miss Stewart has made, and are happy to know that she will continue, as a member, to assist the School as much as she can.

Temporarily, the secretarial work is being handled by other members of the Management Committee, with the help of some of the members of the School.

As to the Fall Courses, we believe we have reason to be satisfied. Attendance for the Landscape Painting Courses was excellent, respectively 17 and 23 for the weekend courses and 13 for the week-day course. This was nearly 90% of theoretical capacity.

It was not originally intended to let any class exceed 20 students, but as the instructor for the week-day course, Mr. Oscar Schleinger, proved to be very popular, a number of students requested that he be retained for the last weekend course also, to which Mr. Schleinger consented.

In the prospect of having two instructors over the weekend we began to accept late registrations, when suddenly we were informed that Mr. Zeldin, the intended instructor for the last weekend course, had contracted pneumonia. Rather than cancel the already accepted registrations, Mr. Schleinger agreed to exceed the maximum number somewhat.

Attendance for the two weekend courses in Photography was not so high, 10 and 5 respectively. This was considered to be due to the fact that most camera clubs organize trips for their members this time of the year to photograph the fall colours.

Although the courses started out with some confusion and a few minor emergencies, those were soon overcome by members of the Management Committee on the spot, and things proceeded smoothly from there on.

The weather, on the whole, was most unfavourable, especially during the week-days. For three whole days the pupils of the week-day courses were unable to go outdoors. It is greatly to the credit of the instructor, Mr. Oscar Schleinger, that those days could be filled in a most instructive

and challenging manner, which left the pupils satisfied. Some, feeling that they had produced more than they would have out-of-doors, called the bad days a "blessing in disguise".

The final comments of the students of the painting courses were very gratifying indeed. They praised the friendly, informal atmosphere, the quality of the instruction, and best of all, assured us that they had learned more in a short time than they had considered possible.

The Photography Course was, on the whole, well received. It suffered somewhat, however, from the inadequate lecture room, and above all from the fact that the students ranged from beginners to very advanced, in fact prominent photographers. The difficulty for the instructor in conducting a course under these circumstances and in making it both understandable and interesting to all can well be imagined. The expressions of appreciation which we received, both verbally and in writing, speak very well indeed for "Corky" Landman's capacities as an instructor.

We received many valuable suggestions on how to improve our Photography Courses in the future. We are grateful to those who took the trouble to make suggestions, not only because these ideas are essential to make our future courses better, but especially because of the spirit of goodwill and the desire to help which they reflect.

In addition to the Art and Photography Courses, a program for the evenings had been organized consisting of lectures and films, most of which proved to be of outstanding quality. In addition to the students, sponsors and members who attended, the public was invited to attend for a modest entrance fee. The lectures especially were well attended, and as a consequence we enlisted a number of new members for the School.

We would like to mention a collection of appropriate books generously made available by the local Public Library. Students and instructors made considerable use of them during breaks and waiting periods, in discussions, etc. The excellent selection was highly praised.

Altogether, the Haliburton

School of Fine Arts has made a good beginning, and we are proud that this has been achieved with financial help from our sponsors only, and with the voluntary work of many residents of the Haliburton Highlands.

We must now consider our plans for the future, and in particular our plans for next year — winter programs for the communities in the Highlands such as lectures, films and shows, courses for next summer and fall, not only in Photography and Painting but in other subjects as well. The results of the questionnaire issued previously must be studied, new ideas must be evaluated, and the new problems which arise must be solved. We need all the help we can get in order to build further on the promising start we have made.

We feel therefore, that we must undertake a new and determined drive for new members and organize a general meeting of members in the not too distant future. The Haliburton School of Fine Arts belongs to its members, and we need to get their ideas, their approval, and their help for future plans.

If you are not already a member, we urge you to take out membership as soon as possible. If you are a member or a sponsor, help us to find new members from among those residents and non-residents of the Highlands who are interested in seeing the School grow and prosper, and who want to help in bringing appreciation and understanding of Art in its widest sense to as many people as possible.

The dues are modest: \$5.00 for a personal membership, and \$8.00 for a family membership. Members have the right to vote on important decisions and will be admitted free of charge (in some cases a reduced charge might have to be imposed) to lectures, shows, films, etc. which the School intends to organize this winter.

We hope that you will help us in putting our membership on as wide a basis as possible, and in the meantime we will be very grateful for any ideas or suggestions which you might have for the future of the Haliburton School of Fine Arts.

OPEN SEVEN DAYS A WEEK FOR SERVICE

SUGAR AND SPICE

by Bill Smiley

A DAY WITH SMILEY

Life do go on. Always the same, and always different. Bits and pieces make up the patchwork quilt that covers our nakedness.

And bits and pieces of a typical weekend will make up this column. I'm no richer or poorer, sadder or happier, wiser or otherwiser. Just a week older, with a few more patches. Some red, some black, some yellow. Making a motley.

Kim was badly shaken when a friend of hers, a 16-year-old girl, was killed an hour after she was talking to her. The child's neck was broken. The boy driving didn't have his licence, had little experience, hit an icy patch, and couldn't cope. One young life snuffed. Pointlessly, uselessly.

This is hard to take when you're young; and my daughter took it hard. And it's pretty hard for an ordinary muddle-headed man to explain that God is too busy to go running around preventing every auto accident and catching every little sparrow that falls, regardless of the old hymn.

Nearly cracked up myself on Saturday. Burling happily along the highway when we ran smack into a stretch of wet snow, with no warning. Everybody on the brakes. Thought I was going to mount a Volkswagen in front of me. Decided to go around him, rather than over. Took a beautiful four-skid sashay, during which two other cars passed me, one on each side.

Heart stopped thudding after I'd passed two cars in the ditch. Turned to Kim, who's learning to drive, and said coolly, "Did you notice that technique for getting out of a skid? Just turn the wheel into the skid." She gave me a long, hard look that she has learned from her mother, and snorted, which she has also learned from the same source.

We were on our way to spend the weekend with the Old Lady, at her pad in the city. What a peculiar feeling to enter a strange apartment building, go up an elevator, walk along a hall, knock on a strange door, and have your own wife answer! It seems almost indecent or something, as though you had a kept woman.

But three or four hours later

after you've got down to fighting over finances, apologizing because you haven't got the storm windows on yet, and promising that you're going to help Kim with her Latin, things are right back to normal.

And it's difficult to prolong that sinful feeling that you're keeping a mistress when you go to bed with a woman, and there's a great lump of a daughter sleeping on the floor, an air mattress and a sleeping bag, two feet from you.

That air mattress allowed me to deliver one of the last great puns of my life. I knew this cute gal on our staff had a mattress. We talked about me borrowing it. And the other day, in the staff room, I asked, in loud clear tones, "Miss S . . . Could we get together on that mattress?"

As all heads swung toward us with fascination, I waited to see whether she'd slug me, or laugh. She laughed. So did the others. But some of the old ducks rather nervously.

My wife has a nice little apartment, but one weekend in it nearly drove me up the curtains. There's no place to hide and read, or look at yourself in the mirror, or cut your toe-nails. Except the bathroom. And you can only stay in there so long. At home, there are all sorts of nooks and crannies for looking at your navel, or picking fluff out of your belly-button.

Well, 24 hours of telling her she could pass the year, if she'd stop worrying. That's like telling Niagara it could be a nice little trout stream if it would stop falling.

And home, with Kim driving, and me twitching. And column to write and lessons to prepare and Hallowe'en candy to be bought. And that fearsome washing machine still to be tackled.

Think I'll have a snort and go to the coin laundry.

The Life And Times Of Clayton Hodgson

By NILA REYNOLDS

One successful career per life-time satisfies most men; however, Clayton Hodgson, for 19 consecutive years M.P. for the riding of Victoria-Haliburton, would not rest until he had achieved prominence in at least three — harness racing, lumbering and politics.

The son of an ambitious pioneer, John Yeates Hodgson, whose father Christopher with his wife whose maiden name was Yeates emigrated to Canada from the English coal mining and manufacturing city, Carlisle; C. W. Hodgson, known far and near as "Clay", can scarcely remember when he wasn't working on the Somerville Township homestead. When the 20th century was new, youngsters took their school reader proverbs, especially "Go to the ant, thou sluggard," seriously.

Exactly 25 years after the arrival of his eldest brother, Tom, the seventh son and the youngest of the nine Hodgson children, Clayton Wesley, was born March 20th, 1897, to Isabella West Hodgson, a spritely lass whose daring spirit and Irish determination led her far from her birthplace just 10 miles from the city of Belfast. Those familiar with her appearance say her granddaughter, Anna, Mrs. Vance English of Haliburton, closely resembled her.

Standing 6'4" in his stocking feet and weighing in at 245 pounds, John Hodgson was physically well equipped to deal with life on Ontario's frontier. A carpenter by trade, he lived at Sonja before moving to Cambray where he had a contract to take out cedar and hemlock ties for the railway then abuilding. During the winter months he hewed the ties which had to be carried to the right of way on his back. Eventually he was able to buy a horse and hire two helpers, Wheeler and Rennie.

Like most Somerville Township settlers, the offer of Free Grant Land brought the Hodgsons north; a cabin with a lean-to for the hired help was constructed on a pine forested sand flat, by the shores of Four Mile Lake,

where they cut and hewed square timbers and delivered them with a home made sleigh to a log dump on Balsam Lake about 2½ miles away. Although there are muskies in the lower lakes, Four Mile Lake, flowing by a unique hidden underground river about 2' deep and wide, had only small mouth black bass until Al Hodgson stocked it with muskie also.

Mr. Hodgson tells that, when they moved to their Burnt River homestead, the older children, Tom, Bill and Margaret, were sent ahead to prepare the house. Unfortunately the team and wagon hauling the household effects found the bush trails rough going and the horses trampled out on Tiplin's Hill; the rest of the family had to camp under the wagon that night making their arrival a day later than planned.

As long as her health allowed, Isabella Hodgson played a dominant role in the life of the community. In addition to teaching a Sunday School class at Burnt River's Methodist Church for over 50 years, she acted as a midwife and practical nurse. To reach her patients quickly in time of need, she always kept her own fast driver. It was in caring for this animal that her youngest son, Clay, developed a love of him horses which has never left him.

It was when the Victoria Railway's construction reached Somerville Township, around 1876, that John Hodgson again secured a contract to supply ties and moved to a farm near the hamlet of Burnt River, between Fennell Falls and Kinmount.

Following the turn of the century, in rural districts the road to learning was not an easy one — after completing public school Clayton Hodgson had to move to Orillia, where at the home of his eldest brother, Tom, he split wood, milked the cow and planted and cultivated the garden, in return for his board while attending high school.

(Continued Next Week)

GOODERHAM

Mrs. Elgin McDuff underwent surgery for a sinus condition this week at Ross Memorial Hospital. We wish her a speedy recovery.

The U.C.W. of the Gooderham United Church met at the home of Mrs. Lorne Hunter. The meeting was opened with the President in the chair. After the call to worship and hymn sing, Mrs. Willard Billings read a selected scripture and gave a meditation on "Remembrance". The roll call was another by a poem or scripture carrying out the thought of Remembrance. A very interesting Bible Study was conducted by Mr. McAllister, completing the series on Paul. After the business session the meeting was closed with prayer by Mr. McAllister. Delicious refreshments were served by the hostess.

Mr. and Mrs. Hubert Alsop are enjoying a short holiday at Oshawa and other points.

Mr. and Mrs. G. W. Barr made a business trip to Toronto this week.

Mr. John Crowther and boys of Dundas came up last weekend to close up their cottage for the winter.

CARNARVON

Mrs. M. B. Windsor is home from Ross Memorial Hospital where she has been detained with a broken shoulder due to a fall. Home to visit her last week were Mr. Craig Windsor of Clarkson and Mr. and Mrs. Garth Windsor of Belleville.

Mrs. Ron Davies of Port Sidney spent last week with Mrs. Bob Fletcher while the men were away hunting.

Mrs. Jack Gregory is in Ottawa for a few weeks; Jack will join her there after the hunting is over.

Mr. and Mrs. Richard Thomson are visiting in Toronto, and then are going on to New York to visit with Dorothy's sister.

Mr. Al Miscio of Hamilton was home to take part in the hunt last week for a few days.

Mrs. Mary McPhail is visiting with relatives for a while after being a patient in the Lindsay Hospital.

Mrs. Bud Thomas, Mrs. Bob Barnhart and Mrs. Nin Stutt were visitors in Lindsay on Monday.

November Meeting Glamorgan Twp. Council

The November session of the Glamorgan Township Council was called to order at 9:00 a.m. by Reeve Victoria Agnew, with all Councillors present.

The minutes of the October meeting were read and passed. Bills and Accounts were dealt with next and were passed in the amount of \$631.84, including Welfare. Road Voucher No. 10 in the amount of \$4,689.60 was approved and passed for payment.

It was decided to order a supply of a new type of Road Time

Sheet, introduced to Road Superintendents by the Department of Highways at a meeting between Road Superintendents and the Department of Highways in October to facilitate both the time-keeping and the book work.

A letter from the Department of Highways was read giving the directive regarding the snowplowing of driveways which was requested after the October Council meeting. In order to comply with Department regulations regarding payment of subsidy, it is found to be necessary for the Township to charge for this service. Discussion on the rate to be charged followed and Council set a rate which is nominal and will cover only the cost of operating and maintaining the necessary equipment. Persons desiring this service will make arrangements with the Clerk. It might be added that several summer residents have already made inquiry with regard to having their roads plowed for periodic use during the winter months and have raised no objections to paying for this service.

An offer from a private individual to purchase a grader blade no longer in use was refused by Council since they felt the offer was not in line with the price paid for the equipment in question.

Discussion followed concerning the 1966 audit of the Township books. This audit is not yet completed, much to Council's annoyance, and the Reeve and Clerk were directed to write the auditor requesting a guarantee of better service next year or a new auditor will be appointed.

Council here adjourned for lunch and reconvened at 12:45.

A letter from the Department of Lands and Forests regarding the Koshong Lake access road lead to the passing of a motion to request subsidy from the Department of Highways for this road on the strength of a plan already on Department of Lands and Forests records and on pre-

vious correspondence between the two Departments concerning the Township's acquisition of title to this roadway.

A mileage chart submitted by the Department of Highways was examined and it was found that some of the Township roads had been omitted. The Clerk was instructed to inform the Department of this and ask that they be added for subsidy purposes.

The Road Superintendent made a report on the gravelling done during the past few weeks. A considerable portion of the Township roads have had this attention so far as gravelling is concerned, including the Salerno Lake Road and those commonly known as Leveck's Road, Hell Street, Nesbitt's Road, the Hinncock Lake Road and the road to the Main's property. It was decided that since some of these roads required blasting to open ditches and remove dangerous stones, a compressor should be hired and as much of this work completed as weather will allow this fall.

Further correspondence from the Salerno Lake Cottagers' Association regarding the construction of a road on the north side of the lake resulted in a motion that after due consideration Council wishes to advise that because of the terrain and access over private land this proposed road would be impractical, if not impossible. An alternate suggestion of a public dock and parking area is being considered. However, this would require the co-operation of the Snowdon Council.

A By-Law was passed authorizing a vote on a question under the Liquor Licence Act. The date for the taking of this vote has been set by the Liquor Control Board for Wednesday, January 10th, 1968. Mr. Norman Locke, owner of Mountain View Lodge, has verbally agreed to cover the cost of the holding of this vote.

Since no further business was at hand, Council adjourned to December 4th at 6:00 p.m. unless called earlier by the Reeve.

Haliburton Notes

The following extract was taken from the Fort Meyers Beach Bulletin, Florida: Kay and Mac McAllister of Haliburton, Ontario, Canada arrived at the Beach on October 25. They have rented a bungalow at 224 Virginia Ave where they will spend the winter. They will head north again April 1. This is the McAllister's third straight season on Esterno Island where they consider the weather ideal and the swimming, shelling, golfing and fishing excellent.

The block work on the addition to St. George's Anglican Church in Haliburton is completed, and the brick work has now been started.

Congratulations this week to Miss Pat Henry, daughter of Mr. and Mrs. Bruce Henry of Haliburton, who has successfully written her Registered Nurse papers.

The new Texaco Bulk Plant on Station Street is well under construction. When completed it will be operated by Glenn Austin and Co.

The Hunters' Ball held at the Royal Canadian Legion Hall in Haliburton last Friday night was once again a big success. Hunters from all around the area came in for this annual event. The second Hunters' Ball is at the same Legion Hall this coming Friday night, November 17.

Tonight (Thursday, November 16) the film "Helicopter Canada" will be shown at the Haliburton Arena starting at 8 p.m. It is being shown by the Haliburton County Public Library in observance of Young Canada's Book Week.

OBITUARY

MARY E. PALMATEER

Mary Eveline Palmateer passed away suddenly at her home in Harcourt on November 1, 1967. She was in her 82nd year.

The daughter of the late Howard Maguire and Sarah Jane Colvin, she was born in Essonville, and spent most of her life in the Essonville and Harcourt area. She married Albro Palmateer who predeceased her eleven years ago. Two children also predeceased her many years ago.

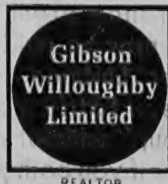

Mrs. Palmateer was a member of the Tory Hill United Church, and in her younger years she was an active worker for the church. She also took a great interest in school, township and government affairs. Ill health had limited her activities in the past few years.

Left to mourn the loss of a dear sister is Mrs. Chas. Scott (Mabel) of Hyland Crest Home, Minden, and also a large number of nieces and nephews.

She rested at her residence in Harcourt until Saturday, November 4, thence to Tory Hill United Church for service at 2 p.m. Mr. K. McAllister conducted the service.

Interment was made in Essonville Cemetery.

Pallbearers were Wallace Scott, Clayton Scott, Murray Scott, Dr. Earl Homewood, John Noble and Francis Noble.

Card of Thanks

We wish to express our sincere appreciation for the generous help of friends and neighbours at the time of our recent fire. Thank you very much.
Mary Packard and Family.

The Boy Scout Association 1st Haliburton Scout Group wish to thank the people of Dysart et al for making the Scout Apple Day a big success. Also a special thanks to Mr. and Mrs. Don Lloyd and Mr. Edward LaPorte who worked hard to set things up, and thanks to Mrs. Ruth Good, Mr. McAllister and Mr. Ron Grant for their donations.

R. Clarke,
Chairman of Group Committee.

We wish at this time to express our sincere thanks to friends and neighbours for the beautiful floral tributes and for thoughtful kindnesses shown to us during our recent bereavement. Especially thanking Dr. Service, Dr. Good and the nursing staff at Ross Memorial Hospital, Lindsay Rev. McCaw for the comforting words and Welch Funeral Home for their services. Sincerely,
Lena Upton and Family.

Relatives of the late Mrs. Evelyn Palmateer wish to express their sincere thanks and appreciation for the many acts of kindness, messages of sympathy and floral tributes received from our many friends and neighbours in our recent bereavement in the loss of a dear Sister and Aunt. Special thanks to Mr. K. McAllister, Mrs. Cameron and the Tory Hill U.C.W., also the John Welch and Son Funeral Directors for their fine service.

IN MEMORIAM

AUSTEN — In loving memory of a dear dad, James E. Austen, who passed away November 23, 1966.

There is no parting from those we love,
No distance can divide,
For today in memory's garden
We still walk side by side.
Each dawning day a thought of him,
At eventide a prayer,
In the hearts that loved him
He always will be there.
—Ever remembered by son
Walter, daughter-in-law Maizie,
granddaughters Patricia, Crystal
and Mary-Lou.

AUSTEN — In loving memory of our dear father and grandfather, Mr. James Austen Sr., who passed away one year ago today, November 23, 1966.
Wonderful memories woven in gold.
This is a picture we tenderly hold;
Deep in our hearts a memory is kept,
To love, to cherish, to never forget.

—Always remembered by son
Nelson, daughter-in-law Hazel and
grandchildren Cathy, Margo and
Elwood, Dan and granddaughter-in-law Laurel.

THOMS — In loving memory of a dear mother, Mrs. Rohena Thoms, who passed away five years ago today, November 30, 1962.

You are gone but not forgotten.
And as dawns another year,
In my lonely hours of thinking
Thoughts of you are always near.
Days of sadness will come o'er me,

Many think the wound is healed,
But they little know the sorrow
That lies in the heart concealed.

—Always remembered by
daughter and son-in-law Hazel
and Nelson Austen, and grand-
children Dan, Cathy, Margo and
Elwood and granddaughter-in-law Laurel.

VENTRESS — In loving memory of Curtis E. Ventress, who died November 16, 1965.

We who loved you sadly miss you

As it dawns another year,
In our lonely hours of thinking
Thoughts of you are ever near.

—Ever remembered by wife
Myrtle and Family.
